

## Long Sutton House

Long Sutton-Somerset-TA10 9LZ

We would like to thank everyone for their kind support at our fund raising events for community projects throughout 2009. The Church open garden worked very well and recently the Cricket Evening through tickets sales and local donations raised over £3000.

As 2010 approaches, there will be further events throughout next year to support a variety of local community projects.

### Wine Evenings for 2010

In an attempt to fundraise for the Church and other organisations within the village, we are going to hold a monthly wine evening at the House. These evenings will be held in the Cellars and shall provide an opportunity to socialize, enjoy different wines and fund raise for local causes. As with previous events, the event is donated so every pound will go to the nominated beneficiary. The emphasis is on a relaxed social environment.

### Long Sutton House Photos

A lot of the records and history of the House were lost prior to us purchasing the House. We are trying to collate a history of the House. If anyone has any photos, pictures or records relating to the House we would be much obliged if we could obtain a copy.
