message: I am a member of the Sams family who came to Australia from Long Sutton - Knole in particular - in 1849. I am interested in any history of the village of Long Sutton and Knole, or Sams ancestors. In particular I am wondering where the locals went on market days in the 18th and 19th centuries. Was Long Sutton a market town, or were there other nearby towns, such as Martock or Somerton, that were the market towns for Long Sutton villagers.

A number of years ago I began a correspondence with Greta Sams, but have since lost touch with her. I would love to get in touch with her again if that were at all possible.

Thank you for your help. You live in a beautiful part of the world! Judy Cawthorne (nee Sams).
