message: My gr-gr-grandfather Felix Hart was born in Long Sutton parish in 1826. He came to the America in 1849. I know I have ancestors buried in the Holy Trinity Church cemetery at Long Sutton. Felix Hart's parents were John Hart and Mary Hart (or Hartnell?) who were married at Holy Trinity December 28, 1818. From Felix Harts obituary there were suppose to be 10 children born to John and Mary Hart. I have the names of 6 William, Hephzibah, Felix, Elijah, Benjamin and Joseph. I would like to find out about these siblings and find the others if possible. I have been told that John Harts parents were William Hart and Mary Plowman who were married February 03, 1794 at Holy Trinity Church but I am not certain of this. I have been told by family members that visited Long Sutton in the early 1900's that we have ancesters buried there. I also have a bible with the name Levi Hart 1773 written on the inside cover. I don't know if or where he fits into my Hart family.

Can you tell me how I can get copies of records from the Church records and the Church cemetery records?

Thank you in advance for any help you can give me.

Mary (Hart) Knight
